

GEARBOX ADAPTER KIT

Our Gearbox Adapter Kit allows you to easily adapt your equipment with a desiccant breather and quick connects with the use of a $\frac{3}{4}$ " NPT threaded adapter. This allows your system to remain completely sealed to atmospheric ingress, while allowing for easy access during offline filtration or topping reservoirs off.

Benefits:

- Easily modify your equipment for a seamless connection to various filtration systems
- Prevents the ingress of dirt and moisture by utilizing a desiccant breather
- Customizable to fit all your needs

Features:

- Various quick disconnects with steel dust plugs
- Adapter with $\frac{3}{4}$ " NPT connection easily adapts to most gearboxes
- Replaceable desiccant breather
- Customizable to fit your specific needs
